

TURNER GALLERIES
ARTIST IN RESIDENCE PROGRAMME
INFORMATION + APPLICATION FORM
2018
for Australian artists only

CLOSING DATE FOR 2018 RESIDENCY APPLICATIONS IS 30 JUNE 2017

TURNER GALLERIES strives to exhibit the work of artists who fall outside of the mainstream of conservative art practise. We encourage artists to approach us if their work is unique, experimental, challenging, visually and mentally stimulating. We believe in the importance of the connections between artists and the community as a whole, and have created an innovative ARTIST IN RESIDENCE PROGRAMME to foster those relationships.

TURNER GALLERIES ARTIST IN RESIDENCE PROGRAMME INFORMATION

THE RESIDENCY

This residency programme began in 2001, as The Church Gallery Artist in Residence Programme. In 2007, after moving to new premises and a change of name, the programme recommenced as the Turner Galleries Artist in Residence Programme. Each residency is now held in conjunction with North Metropolitan TAFE, who provide the artist with accommodation and a large studio space. Residency length is four weeks long, in consultation with Turner Galleries and North Metropolitan TAFE. Each residency incorporates a solo exhibition in Turner Galleries and a floor talk. We are happy to consider artists who work with wall mounted works, sculpture, jewellery, photography, new technologies [including computer, film, video and media generated imagery], and installation.

TURNER GALLERIES & NORTH METROPOLITAN TAFE WILL SUPPLY AND FUND

I. Fully furnished accommodation. The apartment is free of rental, gas and electricity charges to the artist in residence. An internet connection is available. The accommodation is owned by North Metropolitan TAFE, and located behind an old shop frontage on Beaufort Street, Northbridge. The air-conditioned accommodation consists of a bedroom, study, bathroom, laundry and open plan kitchen-living area. This building is part of the North Metropolitan TAFE complex and is a 15 minute walk to Turner Galleries, a 5 minute walk to the Art Gallery of WA and a 10 minute walk to the central city. A floor plan and further information is available on their website: <http://www.gallerycentral.com.au/artist-in-residence/>

II. A large studio, (if required), located in an old shop frontage on Beaufort Street and joined to the North Metropolitan TAFE accommodation via a lockable door.

III. A solo exhibition in Turner Galleries. Exhibition duration is four weeks plus four days of install. [An experienced in-house curator will assist with installation]. Turner Galleries will pay for the design of email invitations, email to their mailing list [including over 1000 clients, press & curators], weekly advertising in the Arts Directory of *The West Australian* newspaper, food and beverages at the opening, staff at the opening and staff for the duration of the exhibition. Any exhibition requirements outside of these can be discussed with the gallery, but will usually be funded by the artist or sponsor.

Turner Galleries takes **40% commission** [+GST] on residency exhibitions and sales from the stockroom. If another gallery exclusively represents you, we are willing to discuss a shared commission.

TURNER GALLERIES ART ANGELS INC.

Art Angels Inc was initiated in 2002 as a fund raising body for the residency programme. Financial support may vary from one residency to another, depending on Art Angels' membership numbers.

Minimum funding for each residency will include **return economy airfare within Australia, return freight (to a maximum of \$3,000) plus \$4,000** [+ GST] towards producing 60 limited edition artworks, whilst Art Angels membership numbers are less than 60.

WHAT WE REQUIRE

Each artist in residence is required to produce an edition of **60 limited edition prints or artworks** [in any medium], in return for financial support from Turner Galleries Art Angels. A sum of \$4,000 [+ GST] is provided to the artist for this purpose. [Once Art Angels membership exceeds 60, the number of limited edition artworks will increase, along with additional funding for the artist].

The limited edition artworks will become the property of the Turner Galleries Art Angels Inc and distributed to the Art Angels Subscribers, with any remaining limited edition artworks available for sale. The Gallery hereby agrees to make no profit from the sale of remaining works. 40% of funds raised from any future sales to the general public will be deposited directly into the Art Angels Residency trust account to support future artists in residence, and the remaining 60% forwarded to the Artist.

RESIDENCY TIMES

Each residency can take up to four weeks in the following months. Alternative dates can be negotiated.

March [solo exhibition in March]

July [solo exhibition in July]

October [solo exhibition in October]

COLLABORATIONS WITH OTHER INSTITUTIONS

Turner Galleries has an ongoing agreement with the North Metropolitan TAFE (formerly Central TAFE) to hold joint residencies. North Metropolitan TAFE supplies fully furnished accommodation and a large studio for the artist in residence at minimal cost to the Art Angels. In return the artist must provide an artist talk, or floor talk, to a class of North Metropolitan TAFE students.

Successful applicants are encouraged to interact with the local art schools and the Art Angels by providing lectures or floor talks about their art practice. There is also an ongoing collaboration between Turner Galleries and three other tertiary institutions, Edith Cowan University, the University of WA, and Curtin University, for artists to have joint residencies. This leads to greater opportunities for increased financial support and for the artist to work as a mentor with the students. The artist needs to be approved by both the University and Turner Galleries for joint residencies. In most cases accommodation, studio and exhibition are supplied by Turner Galleries and North Metropolitan TAFE and the University provides airfare and a stipend for the time spent working with students. Art Angels contribute towards other related costs. Please note that collaborations cannot take place during exam and university holiday periods.
